SUBJECT: Monitor Advocate Training at the 2010 Midwest Association of Farmworker Organizations (MAFO) Conference

1. **Purpose.** To inform State Workforce Agencies (SWAs), liaisons, and NFJP grantees, of the 2010 MAFO National Farmworker Conference, and the Monitor Advocate Training sponsored by the Employment and Training Administration (ETA) and the National and Regional Monitor Advocates. The 2010 MAFO National Farmworker Conference will be held in San Antonio, Texas, from March 22 to March 24, 2010.
2. **Background.** 20 CFR 653.108 (e) requires that Monitor Advocates attend conferences of farm worker organizations in order to initiate and maintain contact with Farmworker-serving organizations to better coordinate Job Service delivery of services to Migrant and Seasonal Farm Workers (MSFWs). The MAFO National Farmworker Conference provides Regional and State Monitor Advocates the opportunity to meet with these organizations and to receive training.
3. **Monitor Advocate Training.** To ensure continued compliance with Job Service regulations the ETA National and Regional Monitor Advocates conduct yearly Monitor Advocate Training for all State Monitor Advocates. The training will take place on March 22 and 23, 2010, concurrent with the MAFO National Farmworker Conference. Both events will provide participants with the opportunity to establish ties that will strengthen partnerships and promote the integration of service delivery to MSFWs within the workforce system. The objectives of the training are to: (1) provide best practices to Monitor Advocates to improve services and performance; (2) better integrate services to MSFWs and agricultural employers in the Workforce System; (3) better coordinate the enforcement of farmworker regulations; (4) facilitate the exchange of information among farmworker service providers; and (5) enhance communication and cooperation between farmworker groups and State and Federal officials.

**EMPLOYMENT AND TRAINING ADMINISTRATION
