 Office of Workforce Security

SUBJECT: Directory of Federal (Civilian) and Military Agencies Requesting
 Quarterly Unemployment Compensation for Federal Employees (UCFE)
 or Unemployment Compensation for Ex-Service Members (UCX)
 Detailed Benefit Payment Data

1. **Purpose.** To update the directory of Federal (civilian) and military agencies that have requested detailed UCFE or UCX benefit payment data which support the Department of Labor's quarterly unemployment compensation billings.
2. **Reference.** UI Reports Handbook No. 401, ETA 191, Statement of Expenditures and Financial Adjustments of Federal Funds for Unemployment Compensation for Federal Employees and Ex-Service Members, and Unemployment Insurance Program Letter (UIPL) No. 17-81.
3. **Background.** UIPL 17-81 informed state workforce agencies (SWAs) that they are required to furnish to the Federal agencies, upon their request, detailed benefit payment data which support charges contained in section B of the ETA 191 report. Federal agencies use this benefit payment data to reconcile the charges against invoices they receive from the Department of Labor. The information should be forwarded directly to the requesting Federal agencies by the 25th day of the month following the end of the reporting quarter. Once a Federal agency has requested detailed benefit payment data, the SWAs are required to furnish this data to the Federal agency each quarter. All the Federal agencies listed in the attached directory have requested such detailed benefit payment data be sent to them.
4. **Action Required.** State agencies are requested to provide the attached directory to appropriate staff.
5. **Inquiries.** Direct all inquiries to the appropriate Regional Office.
6. **Attachment.** Directory of Federal Civilian and Military Agencies Requesting Quarterly UCFE or UCX Detailed Benefit Payment Data.

Public Law 96-499, Omnibus Reconciliation Act, enacted December 5, 1980, amended the UCFE law (5 USC 8501, et, seq.) and requires each Federal agency to pay the cost of regular and extended UCFE benefits paid to its employees on the basis of Federal service performed after December 31, 1980.

Public Law 97-362, Miscellaneous Revenue Act of 1982, effective October 1, 1983, requires the Department of Defense to pay the costs of all regular and extended UCX benefits paid attributable to all Federal military service.

Upon request, agencies are to be provided detailed benefit payment data which support those charges and adjustments which are included on the certified billing document for the quarter. The attached directory represents both the Federal civilian and military agencies that have requested the quarterly detailed data.
